“I shall be there!” “Will you be there?”

Have you ever been invited by someone to attend an event or to go somewhere with them and simply responded “I’ll be there”? I think we have all had that experience and used that phrase several times in a social setting. Has a friend or family member ever called you during a difficult time and you responded by saying something such as “Where are you?” Followed by the statement “I will be there!” Then you quickly jump in your car and drive to their home, hospital, or location of need. You did this to offer your support and your love to that individual. How many of you have been on the receiving end of this scenario? How comforting was it to know that someone was there for you? Again, this is probably something we have all done and all experienced.

I have recently learned a special meaning for the statement, “I shall be there”, through a Bible Study by James W. Moore. Exodus 3: 1-20 tells us the story of Moses and the burning bush. God instructs Moses by saying “Go, Moses, Set my people free. Go, and I will go with you”, (Exodus 3:12). Moses was facing a dangerous mission and he was frightened as well. Moses did not want to have to face Pharaoh and he felt he did not have any authority over Pharaoh. So Moses asks God, “Who shall I say sent me? What is your name?” (Exodus 3:13). God replies, “I am who I am” (Exodus 3:14). How many times have we heard or read that passage? It is a powerful statement but I have learned it is even more powerful and more special. Martin Buber, an Old Testament scholar, after many years of study feels that translation may not be correct. His studies have revealed that the translation of the phrase “I am who I am” should really read “I Shall Be There!”. How wonderful and powerful is that statement!!! We know God was most certainly with Moses and we can be assured that HE is with us too. God is with us as we face the “pharaohs” of our

Pilgrim Applications

Please help us with pilgrim applications. Pilgrim applications will not be considered to be complete unless: (1) There is a signed application from the pilgrim. (2) There is a completed sponsor sheet from the sponsor for that pilgrim. (3) There is a deposit of \$25. If it all possible please send these all in at the same time to ensure that our lists are up to date and accurate.

Thanks!

Central Mississippi Walk to Emmaus Board of Directors

Applications

We are in the process of “revamping” our data base for CMWE. We would really appreciate your cooperation. 1) In order for you to work on a team, the team selection committee must have an application. Applications are discarded each time you work on a team and another application must be submitted to have on file for you to serve on future walks. Consider filling out a new application while working a walk and handing it to your Lay Director. 2) If you are a future Lay Director and the team selection committee has given you a list of names, turn in any misinformation you find to Paula Stubbs. If this is not done, then we pass on the same incorrect information time after time. Thank you for you help.

life. What are the “pharaohs” you are facing right now? Are you facing work, financial or health issues? Maybe you are having difficulty in a relationship with a friend or family member or loss from death? Remember this God says to us, “I Shall Be There!” He is there to provide us with anything and everything we need at all times! What a comfort no matter what we may be facing in our life.

As the summer is here we have opportunities to “be there” for someone. Remember God uses “US” to provide HIS love and support. Will YOU BE THERE for someone in need? Will you be there for a family member or a friend? Will you be there for a church member or maybe for a pilgrim or caterpillar? Will they feel God’s love through you? Let them experience God’s love through us in what we do and who we are! For we all know that God SHALL BE THERE! Will you be there too?
