Spending time with God

Spending time with God in the mornings is a part of life that each of us has been encouraged to do in our journeys from one source or another. We all know that relationship with our Father is the key to stability, and one of the ways that we stay safe. Something that my father passed along to me is the notion that some days, a “note to self” alongside or even in lieu of your study can be of great comfort and help. I keep this note with me always, and wanted to share it with you.

“Let us begin this day with singing. Whether we feel like it or not, let us make glad sounds and force our tongues to articulate words of thanksgiving and praise.

The facts are: God is with us; this world and we who live in it are His; He loves us; He has adopted us as His children; we belong to Him. This makes us valid and worthwhile. We are truly significant in the eyes of our Father, irrespective of our human feelings or the comments of our critics about us.

This may not be the way we feel this morning but this is the way it is. We don’t need the plaudits of our peers, for we have God’s stamp of approval.

So let us begin this day with singing whether we feel like it or not. Then we may end this day with praises, because we know – and may even feel that we shall forever remain the objects of God’s concern and the children that He wanted, chose, and loves.”

On the days that you feel overwhelmed with life and its struggles, take comfort in the truth that Jesus our brother walks with us, knows our thoughts, shares in our feelings, and is indeed the strength that we need to remember we are safe.

Thank you,

Cobb Ware
 Board Chair

Pilgrim Applications

Please help us with pilgrim applications. Pilgrim applications will not be considered to be complete unless:

- (1) There is a signed application from the pilgrim.
- (2) There is a completed sponsor sheet from the sponsor for that pilgrim.
- (3) There is a deposit of \$25. If it all possible please send these all in at the same time to ensure that our lists are up to date and accurate.

Thanks!

Central Mississippi Walk to Emmaus Board of Directors

Applications

We are in the process of "revamping" our data base for CMWE. We would really appreciate your cooperation.

(1) In order for you to work on a team, the team selection committee must have an application. Applications are discarded each time you work on a team and another application must be submitted to have on file for you to serve on future walks. Consider filling out a new application while working a walk and handing it to your Lay Director.

(2) If you are a future Lay Director and the team selection committee has given you a list of names, turn in any misinformation you find to Paula Stubbs. If this is not done, then we pass on the same incorrect information time after time. Thank you for you help.
